**RC skill level (circle one):**                  New to Flying                  Student Pilot                  Pilot                  Instructor

The Lexington Aircraft Radio Kontrol Society (LARKS) is dedicated to promoting the hobby of model aviation in the Lexington and Columbia, SC area. Our primary goal is to promote safety while flying RC model aircraft. LARKS is chartered with the Academy of Model Aeronautics (AMA) that provides liability insurance to the club and to each club member. All flying members of LARKS must be current AMA members. Our club strictly abides by the AMA Safety Code and "good conduct" rules and procedures. Each member is responsible for reading and following all safety codes, rules, and procedures. Furthermore, if you cause another aircraft to crash, YOU ARE RESPONSIBLE for replacing that aircraft. For details and text, see the AMA website at [www.modelaircraft.org](http://www.modelaircraft.org). LARKS club By-Laws, "good conduct" rules and other club documents are at [www.larksrc.com](http://www.larksrc.com).

**"By signing this application below I agree to follow all AMA & Larks Safety codes, rules, and procedures."**
