Control Society

Re: Cash Donation

Good Day Lexington AirCRAFT Radio Control Society:

This letter will serve as a receipt for the \$500.00 donation rendered to the Rembert Area Community Coalition's (RACC) outreach program during the 2012 calendar year. The donation of \$500.00 was greatly appreciated. RACC used the money to purchase needed items for the youth programs and/or to assist in the cost of operating it. You may give this letter to your accountant to receive credit for your monetary donation. We thank you for playing a part in making this dream a reality.

RACC has received its South Carolina State Certification for Community Development Corporation (CDC). You can benefit by making a contribution/investment to our organization and receiving a 33% tax credit.

RACC has also received certification on the federal level by receiving the Community Development Entity (CDE). By investing in a low-income community, such as Rembert, through RACC, you could receive state and federal tax credits. I have completed the CDE tax credit form and would like to meet with, verify the amount you gave and get your signature, I will record our ID number, sign, give you a copy and submit one to the Department of Commerce.

If you have any questions please feel free to call me at 803.420.1255. I will be pleased to submit additional information at your request.

We would like to end this letter by saying, RACC could not do what we do without caring people like yourself for being there to assist us when we are in need.

With Sincere Thanks,

Juanita G. Britton, PhD, MBA, BS  
Founder/President
