

Pack 303

Indian Waters Council

July 10, 2013

Dear Larks RC Club,

I would like to thank you on behalf of Pack 303 for your contribution to our "Fly for Scouts" fundraiser. Your donation helped us earn over \$2000 for our pack. This money will help us support our pack for the next year as we continue to help our scouts grow and instill the values of scouting into our young cub scouts. Your donation will allow our pack to conduct weekly meetings, go on camping trips, attend educational field trips, spend recreational time with our families, earn patches, badges and ranks and also volunteer to support local and nationally recognized charities. All while learning the skills needed to be leaders in the future. Thanks again for your continued support of Pack 303 and the Boy Scouts of America.

Yours in Scouting,

Norman Gullard
